

myDSV platform

myDSV is a tool that allows you to submit land transport orders electronically.

It gives you access to:

- **shipment tracking,**
- **downloading ePODs,**
- **downloading invoices,**
- **submitting eClaims,**
- **managing your accounts,**
shipments and notifications,
- **creating booking templates.**

We encourage you to use the instructions in the **HELP** module.

There you will find tips on the Booking service and other eServices, along with instructional videos.

If you want to go to **HELP** module, after logging in to the platform, click the Help button in the upper right corner of the browser window.

A page will open where we provide all instructions regarding the platform.

The screenshot displays the DSV myDSV dashboard interface. At the top, a dark blue navigation bar contains a bell icon, a **Help** button (highlighted with a red box), a group of people icon, and two dropdown arrows. Below this, the 'Services' section features a search bar and a 'Favorites' row with icons for Booking, Tracking, Scheduling, eClaims, and Invoice Delivery. The bottom section of the dashboard includes the DSV logo, a main navigation menu (Getting Started, Book, Manage, Administer, Country specific information), a breadcrumb trail ('You are here: Getting Started > Using the myDSV dashboard'), a language selector, and a search bar. A sidebar on the right lists 'Getting Started' options: 'Using the myDSV dashboard' (highlighted), 'Using Layouts', and 'Getting Support'. The main content area lists several topics with expandable icons: 'Finding your way around the myDSV dashboard', 'Adding widgets', 'Removing widgets', 'Accessing your eServices and change favourites', and 'Changing your language and user preferences'.
